

OUR FRIENDS AT KONI COME THROUGH  
AGAIN!!

We at KermaTDI are happy to announce the  
2020 Koni Shock Value Sale!!!

20% off the already bargain pricing on most everything Koni. With the launch of the Special Active line (the technology of the former FSD line at a fraction of the price) as well as our old favorites, this is a deal that can't be missed. No need for a promotion code, pricing on the site has been discounted as low as we can go.

We at Kerma are working on some great installation kits to help with the installation of these puppies as well. STAY TUNED!!!

If you don't see something Koni you are interested in on the website, please feel free to shoot us an email at our [Parts Request Department](#) and we'll be happy to see what we can do for you.

-Kerma and Koni

Note: This sales promotion is only on Street Automotive product lines and excludes RV, Heavy Duty, Racing, Light Truck/SUV, and Component parts.
